Online Ordering

1 - After making selection(s), add up your total. There is no sales tax or shipping cost, just the total of all caps ordered.

2 - At the top of the "Store" page there are two PayPal "Donation" buttons. Go to the second one ("One-Time Donations"). You will have a choice to pay with a PayPal account or with a credit or debit card (by selecting "Continue").

3 - After completing the form and when you are ready to submit your order, there will be a space for you to "Leave Instructions for Seller". Type in the Item # and the quantity of each. List all caps accordingly. You do not have to give the description although that would help to ensure you receive the correct cap(s). (In the Confirmation e-mail from TTM, we will provide a full description for you to review.)

4 - TTM will receive an e-mail notification from PayPal that your order has been made and that your payment is being processed. This notification will also include your Item numbers and quantities you listed in the "Leave Instructions...". You should hear from TTM within 24 hours. If you do not, please contact Dan Dúet at dan@danduet.com.
